The Best Promoter.

The one fully prepared and well displayed advertisement in the most prominent position in this paper, will attract more people in one day than the average human promoter can interest in the whole of his professional career. It appeals to the average reader and especially to the young people and especially to the other trade that could not be influenced by the most eloquent talker. The sole business man employs the most potential agent to strengthen and increase his business.

James W. Wilson sold two lots in Dover to A. Ronch of Manchester for \$20.

N. B. Rogers has been appointed Guardian of Samuel, William and Neal Sartin.

The People's Building Association sold to Jesse Lee, colored, for \$55 a lot on Hord's Hill.

Robert Madden was appointed Administrator of Annie Fantroy upon request of the heirs.

Miss Mary L. Kennan sold to J. Allen Cooper for \$1,000 some real estate in Orangeburg Precinct.

Thomas J. Helton and wife sold to M. D. Collis of Orangeburg one lot and blacksmith shop for \$300.

Senator William H. Cox is suffering from a badly sprained back, received while hunting carpets at the store yesterday.

Mr. George Alberton, an uncle of Mrs. Jane Burrows of Forest avenue, died Thursday last at his home near Aberdeen.

James W. Helton and husband, for \$350 have conveyed a parcel of ground on North Fork of Licking river to Burton Browning.

The will of Patrick Morgan has been admitted to probate. James Morgan was appointed Executor without bond. His estate is divided among his wife, daughter, Mrs. Maher, and son James.

The residence of Mr. Marion Hill at Dayton was badly damaged by fire and water to the extent of several hundred dollars Sunday. Mr. Hill's wife was Mrs. Pearl Sutton, formerly of this number.

A number of Mrs. C. A. Walther's friends gave her a surprise in honor of her birthday. They served refreshments and she received presents and a handsome basket of flowers from Miss Emelia Joerger.

Sam Parker, a son of Mrs. Mary Parker of West Second street, was instantaneously killed Saturday night in a small gasoline, O, by the explosion of a boiler. Three others met their death and a number were fatally injured.

The funeral of Joseph Frakes, whose death was noted yesterday, will occur Saturday afternoon at 2 o'clock from Central Presbyterian church with services by the Pastor, Rev. J. C. McCoy, Interment in the Maysville Cemetery.

KNIGHTS OF ST. JOHN.

Uniformed Rank Holds an Election at Covington Sunday.

The Knights of St. John, Uniformed Rank, First Battalion of the Second District of Kentucky, met at Covington Sunday and elected officers for a term of five years.

Among those elected were M. Swift of this city as Quartermaster Sergeant; George Schroeder as Aide-de-Camp; Dr. R. Devore as Hospital Steward.

The installation ceremonies will take place on the 8th of May and will be in charge of General H. J. Fries of Erie, Pa.

Special Request.

For advertising appearing in the columns of this paper, or when goods from a certain place appear in this paper, our readers are especially requested to state that they are not wanted. This will save time. This will cost you nothing, and it will be gratefully appreciated by both the advertiser and the Editor.

THE LEADER yesterday again showed its qualities as a newspaper. It contained a four-column account of the ceremonies at Washington, including the President's Inaugural Address—six hours in advance of any other paper circulated in Mayville.

A. George Kimmel, Covington, has sold his house, situated near the hill, bounded on the C. and O. Railroad crossing, throwing Mr. Kimmel to the ground. He sustained several severe brases, and there will undoubtedly be a lawsuit against the railroad company for heavy damages.

COWBOYS WON.

Victorious in the Fine Game of Bas-
ket Ball Last Night.

The score was 18 to 19 in the Basket Ball game last night and the Yankees went down in defeat.

It was a glorious triumph for the Cowboys and they are congratulated on winning over what had been an invincible team heretofore.

Captain Con. Traxel is a wonder and plays like a General commanding his army, covering the foe and bringing victory out of defeat.

A large crowd was out and the interest was surely there.

Who Are They?

Maysville and Mason county have been the birthplace and home of many distinguished men.

THE LEADER respectfully invites its readers to furnish a list of twelve names of persons—dead or living—who, in their judgment, have contributed most for the advancement of Mason county and the city of Mayville, commercially and intellectually.

The names, with that of the contributor, will be published in the order in which they are received.

Who They Are:

In response to THE LEADER's foregoing request, the following names have been submitted.

Mercurius. —
Geo. Cox & Son, George Report McMurtry, and others.

Literary. —
Dr. H. H. Hunt, C. E. Walther, Omar Dodson, George Rev. E. C. Baker, Adam Beatty, Dr. W. C. Wood, Charles A. Marshall, C. G. Hise, Chester street, Sixth Ward, move courthouse.

E. A. Robinson, corner Second and Lexington streets, Fifth Ward, two-story frame residence; same, two-story frame residence; same, side of lot on Second street, Fifth Ward.

Mr. E. A. Robinson's petition for the putting down of a sewer and running it to the river close to the pumping station of the water works, brought out lots of wind.

At the Water Company has a sewer below the intake pipe of the station, which carries off all the waste water into the sewer that is already there, he felt that he was not asking anything out of the way. However, Council split a few hairs, and referred the petition to the Proposition and Grievance Committee.

Mr. Marion M. Crowell was granted leave of absence for a post office.

Mr. George Wood was granted Auctioneer's license.

The Law and Ordnance Committee recommended an ordinance, which was referred back to the committee, for the construction of sidewalks, which calls for payment to be collected in good money. It also directed that the amount of pavements, curving and gutters, and if the provisions are carried out Mayville will have a fine seventeen miles of pavements.

Mr. W. D. Hixson presented a bill for \$7.50 for cleaning the Public Library, which was accepted, and will also come from Mr. W. W. Lynch for \$10.

The special committee appointed at last meeting to consider the proposition of the Trustees of the Wormad Library Fund recommended another committee

On special display at our store now. "They haven't the hurried, cheap ready-made things," was added. "We are said to control the highest manufacture of Muslin and Cambric in the country, and we are anxious to sell at season to get the best possible values for the money. We avoid every delusive "cheap job"—never swerving from the policy that the BEST is good enough for the very best. We are anxious to sell to the public at a low price, but we know our patrons want the very best. Our line of Watches and Diamonds is especially large. Come in and take a look any-way.

Three Months, \$1.75

DELIVERED BY CARRIER.

For Month, 20 Cents

Payable to Collector at end of Month.

THE LEDGER man presents his best bow to Colonel J. NOEL JOHNSON of The Warm Baby.

It was a Democratic Court that he once called on for protection—and got it—that BRECKINRIDGE so grossly insulted a few days ago. It's a pretty Democratic kettle of fish. Let 'er rip!

OHIO theatrical managers have formed a combination to "guard against traveling companies which advertise one thing and produce another." The Mayville Managers should join the gang.

WHEN Admiral SAMSON opposed the promotion of Gunner MORGAN to the rank of Ensign on "social" grounds, he wrote himself an egregious ass. Such "snobbery" has no place in the American heart.

SALT LAKE CITY, Utah, has passed an ordinance prohibiting, under penalty of a fine ranging from \$10 to \$100, or imprisonment from five to one hundred days, or both, the selling, giving or furnishing of tobacco in any form to any person under 18 years of age. After all, it looks as though the Mormons were pointing the way to some of their abusers in suppressing the vices.

THE Lewis County News is all right, and Editor RUGGLES fires it at 'em redhot. Here's a sample from his initial declaration—

"We will present the precepts and teachings of Democracy pure and unadulterated, without the hectorings and jealousies of jaded politicians who sometimes get tipsy on the distillations of their own imaginations and conclude that the eternal principles of JEFFERSON and JACKSON are paled into insignificance by the kaleidoscopic propagations which they affect to believe are the principles of true Democracy."

Now, will you be good?

LET'S Stop that cough by using Ray's Cong Syrup; it's guaranteed.

GOOD FOR GEORGE!

George M. Thompson Now Postmaster at Elizabeth, W. Va.

The many Mayfield friends of Captain George M. Thompson will be glad to hear of his continued success in West Virginia.

For some time he has been editing the biggest and the best hotel in Elizabeth, and now your Uncle Sam has selected him as the proper person to edit his Postal Cards for the next four years.

The good news comes in this announcement in the local paper—

EZRAHETT F. NEW P. M.

Elizabeth will soon have a new Postmaster in the person of Captain George M. Thompson who will succeed the present incumbent, Floyd G. Weaver. The post office department has nominated Mr. Thompson to fill his appointment and he will arrange to take charge of the office as soon as he can. He will be located in yet, so far as the public is concerned, a master of con-
